## **Cooks and Pastry Cooks Not Wanted in QLD**

The QLD state government is playing a merry-go-round game with international students by changing their sponsorship lists so often it is hard to keep up from one week to the next.

They have now removed Cooks and Pastry Cooks from their 886 sponsorship list throwing potential applicants into depression. This clearly demonstrates a degree of immature policy management. It was just on the 24<sup>th</sup> February that they upgraded Cooks and Pastry Cooks from the regional sponsorship list to the PR list. Now applicants who are preparing their applications now find they cannot lodge them.

Recently a similar contempt was demonstrated by QLD by placing Computer Professionals (nec) on their PR list raising the hopes of all IT graduates, only soon later to find they removed this occupation.

We spoke to one of the members of the Migration and Skills Recruitment Queensland this afternoon and was clear they could not care less. It didn't concern them they may have wasted hundreds of dollars of students money and he stated it was just government policy.

It seems the Work, Live, Play motto of the QLD state website is more about play than work! Please put someone in charge who knows what they are doing, that surely is a cornerstone of any government policy.
